

DAILY PUBLIC LEDGER

SEVENTH YEAR. MAYSVILLE, KY., TUESDAY, JUNE 14, 1898. ONE CENT.

Swing CIRCULATION LARGEST IN THE CITY. Purely Business! The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can lose over his counter the gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

We Have!

Always contended for and maintain it is a fact that there is a higher order of intelligence evinced in the business of general merchandise by the people in this and nearby counties than most anywhere else. You will find few persons who do their shopping in Maysville who believe that \$4.98 will buy a \$12 suit of clothes. Our many years experience goes to show that people want good goods, and for which they are willing to pay a fair price. Our 1898 spring business proves that the higher the class of goods the readier they sell. Our beautiful Black and Blue Serge Suits (we sell them at \$12) have bounded into wonderful great favor with our good dressers. We have a beautiful line of them. The weather is getting right for our

Crash Suits

Our Crash Suits are right for the weather. Prices ranging in this line

From \$2.50 to \$7

They are worth your inspection. On Saturday we will open our Children's and Boys' Crash Suits.

OUR SHOE DEPARTMENT is now complete in Summer Footwear. We handle only the best quality of goods in this line. Our Fine Patent Leather Shoes which a few days since were closed out are replenished with a shipment of the very latest and correct styles.

Our stock of White Pique and Lawn Waists is particularly large and select. They are made with the daintiest of embroidery or inserting, and all at surprisingly low prices—\$1 to \$2.

FIFTY PIECES PIQUE

Were part of a lot we bought recently at a closing-out price. They were made to sell at 35c. a yard. Our price is the closing out one, 15c. a yard. Also a great stock of White Figured Piques of regular 40c. value; the price here is 25c. a yard.

MANY MILES OF

RIBBONS.

We have kept the manufacturers busy supplying us with Ribbons this season. SAD DEMISE.

The Richmond Streetcar Line Has Outlived Its Usefulness.

Winchester has long since demolished her metropolitan streetcar system.

Georgetown's has gone into bankruptcy and been sold out.

And now as a finishing touch to the felly of small towns building lines that are not needed, the one-eyed Richmond system has gone by the board. The Richmond Register tells the sad story:

"The Richmond streetcar line is a memory. Cherish it tenderly. Having long outlived its usefulness, it passed away more honored in death than it ever was in life. We shall miss it. It has long been a striking ornament to Main street, and it was thought that the car which has been standing on the Third street grade for several months, having stuck there, would be left as a permanent monument to the enterprise, but the vandalism of the Council would not even spare that, and it all goes together. The graceful, dangerous ridges, rising four or five inches above the street, have all been demolished, the brightly colored and brilliantly-lighted cars are in the stables and the little mules are turned out to graze. When Richmond shall have become a great city, with electric lights and cable cars and fifteen-story buildings and all that sort of things, the oldest inhabitant will begin to tell another generation how, in the long ago, on the old streetcars, a barefooted boy counted the passengers and collected the fares by the light of a match.

Notice! Every person paying a cash fare on streetcars gets a free ticket to the Theater.
